

THE NEW ENTERPRISE.

VOL VI-NO. 30 MADISON, FLA., THURSDAY, AUGUST 15, 1907. \$1 A YEAR

Second Annual Announcement F. N. I.
The Second Annual Announcement of the Florida Normal Institute and Commercial College has been issued and is now being sent out to prospective students and friends of the institution by Prof. Walter B. Cate, the principal.

The announcement is in the shape of a booklet containing twenty-odd pages with many handsome illustrations and in point of workmanship and typographic excellence reflects credit upon the printers, the Pepper Publishing Company, of Gainesville, from whose presses it was issued.

Under the caption "Personal" Prof. Cate says, in part: "One year ago in making the first announcement concerning the establishment of the Florida Normal Institute and Commercial College at Madison, I gave my reasons for coming to Madison and for expecting to have a good school. To say that my expectations and hopes have been realized but mildly expresses my real feeling. I hoped for an enrollment of three hundred; we enrolled four hundred and forty. I hoped for at least fifty boarding pupils; we had one hundred and forty. I hoped for a dozen graduates; we had twenty-three."

The next term of the school will commence on the first Tuesday in September, which will be the third day of the month. The various departments will be in charge of the following efficient teachers, some of whom are already known to our people by their past work, and the others come to our school with the highest endorsements:

W. B. Cate, Principal; Latin, History and Pedagogy.

Grant Wheeler, Principal Commercial College: Commercial Branches, English and Science.

Miss Peattie Altman, Preparatory Department.

Miss Mary Walters, 1st Assistant Preparatory Department.

Miss Jessie L. Buckland, Art, Voice, Expression and Physical Culture.

Miss Agnes Parramore, Piano.

Miss Elizabeth Hill, Intermediate Department.

Misses Max Motlow and Irene Werts, Primary Department.

M. D. Clancy, Instructor in Telegraphy.

The first term of the school was a wonderful success and the second term will be entered upon with brilliant prospects. All Madison rejoices in the possession of so splendid an institution of learning and stand ready to aid it in any way possible.

Letter to Vann Bros.

MADISON, FLA.

Dear Sir: Why do you people send us such tales as this?

D. G. Smith, Madison, Fla., had his mother's house painted Devoe 11 years ago, and the house looks better to-day than other houses painted with other paint 3 or 4 years ago.

They are full of goodwill for Devoe.

Yours truly,

F. W. DEVOE & CO.

P. S. D. G. Smith sells our paint.

Even at this early date plans are being formulated for the Dade County Fair which will be held either the latter part of February or the first of March.

Notice of Examination.

The regular examination for teachers will be held at the court house at Madison, beginning at 8:30 a. m., Thursday, September 3rd, 1907.

G. W. Tappan,
County Superintendent.

Proceedings County Commissioners.

Madison, Fla., Aug. 7th, 1907.

The Board of County Commissioners met this day in regular session, all members present. Board was called to order by the chairman and minutes of last two meetings were read and approved.

On motion S. E. Garbett and wife, paupers, were allowed an increase of \$4.00 per month from July 1st and also that the county pay for what drugs they owe for and also to pay for what additional drugs necessary for them to have until further orders from the board. Petition to put Loretta Murphey on pauper list was granted and she is hereby allowed \$5.00 per month from date.

E. J. Vann, managing Trustee of Madison county bonds, appeared before the board and reported that the Trustees had enough money on hand to take up one \$100 bond, and recommended that the Board draw one \$100 bond and call same in for payment, whereupon Bond No. 116 for \$100 was drawn and called in for payment.

R. Davis made the board an offer of \$25 for a crippled mule belonging to the county and on motion same was accepted.

Bids to paint court house fence were received and considered, and upon motion contract to paint said fence one coat was awarded to J. W. Winfield.

Commissioner Rye reported that he had let contract to repair Live Oak Creek bridge to G. C. McClamma for \$10.75.

Commissioner Shaw reported that he had let contract to repair Burnt Mill Creek bridge to P. L. Fulford for \$10.00, also let contract to repair Skipper Creek bridge to Asa McLeod for \$15.

Commissioner Bishop reported that he had let contract to repair Double Slough bridge to S. S. Moody for \$45.00; also let contract to repair Aucilla bridge to Hubbard Horton for \$6. All of which was approved by the board.

On motion J. H. Milliner was allowed the use of the county's wheel scrapes to repair public road near his turpentine still at Moseley Hall.

It being reported to the Board that a part of the wood which the board had sold to J. S. Connell on the Rocky Ford road had been taken and hauled away by other parties, on motion commissioner Rye was instructed to ascertain the amount of wood thus taken and hauled off and report same to the board at its next regular meeting.

Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. E. J. Johnston, Linton, Minn. For sale by D. G. Smith.

RUN-OVER LOCALS.

Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Kennedy's Laxative Cough Syrup acts gently upon the bowels and clears the whole system of coughs and colds. It promptly relieves inflammation of the throat and allays irritation. Sold by W. B. Davis.

Judge Thomas A. Hall, county judge of Nassau county, died suddenly at his home in Fernandina last Sunday morning. He had been ill but a few days. Judge Hall was commander of Nassau Camp, United Confederate Veterans, at Fernandina. He was formerly a citizen of Madison county, his home being in the Cherry Lake neighborhood near the site of the present church. He had many friends and acquaintances in this county who will be grieved to learn of his death.

"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should also help the stomach as much as possible by the use of a little Kodol For Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by W. B. Davis.

The tobacco crop of the Fraleigh, Smith Investment Co. has been harvested and most all of it shipped to the contractor at Quincy. The members of the company are enthusiastic over their success with the first crop, the yield being about eleven hundred pounds to the acre. The crop from the farm of H. M. Taylor was equally as good in every particular, and the beauty about it is that the tobacco "will burn," the statement of the Quincy and Gadsden county people to the contrary notwithstanding.

The telegraph operators of the country have gone out on strike and the offices of the Western Union and Postal companies in all parts of the United States are practically out of business until the places of the striking operators are supplied by non-union operators. Tuesday morning we called at the local office in Madison and were informed by the young lady operator in charge that she had not "walked out" but that she might as well because she could not send any messages to Jacksonville or other cities because there were no operators at those ends to relieve them.

The ladies of the Cemetery Improvement Association held an enthusiastic meeting Monday afternoon. Plans are on foot for a big supper and up to date Bazaar to raise funds for fencing, seats, etc. With proper encouragement and support from citizens of the town and surrounding country the ladies are considering the advisability of forming a joint park association, as they believe, after both have been put in proper shape, one man can take care of both. A trip to the upper country is enough to kindle a spark of enthusiasm and public spirit in even a half-dead Madisonian. The date of the holding of the supper and Bazaar will be announced later.

HAD AN AWFUL TIME

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam H. Gwin, Concord, Ga. For sale by D. G. Smith.

New Editor for The Recorder.

The Madison Recorder when it appears to-morrow will contain the valedictory of Royal C. Dunn, its editor and owner for several years past, and the salutatory of James R. Borland, who after this week, assumes the editorial control and management of the paper.

The deal has been pending for several weeks, so we are informed, but was only consummated on Tuesday of this week. We are not permitted to state the terms but can only say that Mr. Borland has purchased the entire plant, good will and everything connected with the paper, and will be in sole charge of its affairs.

Since the establishment of the New Enterprise about six years ago Mr. Borland has been in its employ off and on for about three years, and we have no hesitancy in pronouncing him an able newspaper man, being acquainted with newspaper making from the case up. We believe that he will restore the Recorder to some of its former usefulness and raise its standard to a much higher notch than it has occupied for a year or more.

The New Enterprise extends the hand of fellowship and wishes Mr. Borland success in his venture.

Remedy for Diarrhoea. Never Known to Fail.

"I want to say a few words for Chamberlain's Colic Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."—S. Jemison, Spring Cove, York County, Pa. This remedy is for sale by D. G. Smith.

The exports from Jacksonville for the month of July just ended, amounted to \$72,000. Lumber shipments did not quite reach one million feet.
